Placement

All pages are sold on a first-come-first-served basis. Payment must be received at time of request to reserve ad space.

Color pages go fast, so pay early to reserve your spot. Directory space is limited, and once it is sold out we cannot accept any more advertisements.

The color pages are in the center, inside front, back, and inside back of the directory. Full page and half page black and white advertisements are placed in the directory in the order that we determine is best for the publication. We make every effort to put your ad in the directory where you desire it to be, but the final layout is determined by us. Note: What we deem to be best placement goes to those who pay early.
